– Instructions –

Postgraduate Coursework Application for Local Students

Please read these Instructions before completing the form.

- This form is for Australian Citizens, Permanent Residents and New Zealand Citizens applying for postgraduate coursework study at The Australian National University (ANU).
- Please read the Graduate School *Coursework Student Prospectus* and any accompanying program material for application requirements for specific programs, and select the correct graduate program of study. The *Prospectus* is available on the Internet at <www.anu.edu.au/graduate> and may be obtained from the Admissions Office.

(1) The Application Form

- Write clearly in BLOCK LETTERS using a black pen; and
- Please sign and date the declaration.

Question 1. The Program of Study

- **The Program of Study:** You may express preferences for up to two coursework programs. Please consult the *Coursework Student Prospectus* for program details. If you are applying for a program in New Media Arts, Visual Arts or Music please include your specialisation.
- **Expected Commencement Date:** The majority of applicants commence their studies in either Semester 1 or 2. Please contact the relevant area for information of alternative session commencement.
- **Studying off-campus:** This is only available in a select number of programs. Please contact the graduate convenor of your intended program for further details.
- **Applications through UAC:** Please indicate if you have submitted an application through the Universities Admissions Centre (UAC).

Question 3. Personal Details

Failure to provide a day telephone, fax or email contact could delay processing of your application.

- If your qualifications were completed in your previous family name, you **must** provide documentary evidence of name change.

Question 5. Current/Previous Studies

Please complete the whole section providing details of all current and previous study undertaken since leaving school.

- Unless you are undertaking approved cross-institutional study, you may not normally be enrolled at more than one university at the same time.

Question 6. Language Ability

Applicants whose previous study was in a language other than English must complete Question 6A. Please consult the *Coursework Student Prospectus* for the requirements.

Question 7. Relevant Employment/Training

If you wish to support your application for admission with employment/training relevant to the program, you must provide details of that experience (attach a separate sheet if necessary). Please note applicants applying for the Master of Applied Epidemiology must obtain an additional form; contact NCEPH for further information.

Question 9. Referees

Some coursework applicants must provide referee reports. Please check the list below to see if your graduate program requires referees, and if so, provide details of **two** referees.

- Epidemiology and Population Health *
- Political Science and International Relations
- Psychology
- Resource Management and Environmental Science
- Scientific Communication

* *Epidemiology and Population Health applicants must provide details for **three** referees.*

For all other programs, please consult program material to determine if you are required to provide referee reports.

- At least one referee must be a member of academic staff who is able to comment on your work during the qualification most relevant to this application.
- If you are basing this application on business experience/training, at least one of your referees must be able to comment on your relevant experience.

You must also provide contact details of your referees on this application form and ask them to submit their reports directly to the University using the enclosed form "Referee's Questionnaire".

The University will not request reports on your behalf.

Question 10. Declaration

You must sign and date the application; otherwise the application will be returned to you and processing will be delayed.

(2) Documentation to Accompany the Form

Please attach certified copies of transcripts of academic record and evidence of completion of all qualifications. **Do not send original documents.** All copies **must** be certified according to the instructions on the enclosed sheet (SAS 18). You will be required to submit original documents at the time of enrolment. Do **not** delay submitting an application if you are waiting for results of current study. Forward the result or transcript as soon as it becomes available.

- Current or previous ANU students should list all studies attempted, but need not provide a transcript of ANU programs.

Referee's Questionnaire

in Support of Postgraduate Admission and/or Scholarship Application

Applicant to complete before forwarding to a referee

Family Name: Other Names:
 Program Applied for: Date of Birth:
 Field of Study/Research: (as shown on application form)

NOTES FOR REFEREES

The applicant has named you as a referee in support of an application for graduate admission and/or scholarship at this University. To assist the Selection Committee in considering the application we should like to have your views on the applicant's suitability for an award. The Committee is particularly interested in your opinion of the qualifications, experience, and, where appropriate, research ability or promise, of the applicant. In addition to your written comments, it would also help the Selection Committee if you would complete the brief questionnaire below and return it with your report.

— This Questionnaire is not intended as a substitute for the usual Referee Report. —

The report is requested from you and, if supplied, received by the University on a confidential basis and on the clear understanding that the University will do everything in its power to respect and maintain that confidence. The report will be disclosed only to those immediately involved in the selection process.

A referee who is a member of staff of the ANU is asked to note that the University has adopted the practice of making available to the applicant concerned those comments from members of the University which have been obtained in the performance of their duty, eg as a Head of Department. Although you are a member of the staff of this University, this report is requested on the basis of your particular expertise and the University acknowledges that the report is neither requested nor supplied in the performance by you of your duties as a member of the staff of the University.

Your assistance will be greatly appreciated.
