INTERNSHIP SUPPORT 2010

GUIDELINES FOR APPLYING FOR INTERNSHIP SUPPORT

1. ANZSIL members who are Australian or New Zealand citizens or permanent residents may apply to ANZSIL for financial support to facilitate their participation in internships at institutions involved in the practice of international law.
2. There are two application rounds for 2010. The closing dates for the 2010 application rounds are Friday April 23 and Friday October 22. It is envisaged that successful applicants will be notified by the end of May and November 2010 respectively.
3. Successful internship applicants will receive one year's free membership of ANZSIL.
4. Applicants must be citizens or permanent residents of Australia or New Zealand.
5. The amount of financial support available in each round is decided by the ANZSIL Executive Council. An amount of up to A\$2,000.00 may be made available to each successful applicant.
6. Applicants must provide a copy of correspondence confirming that they have been accepted for the internship in relation to which they are seeking financial support from ANZSIL.
7. A sub-committee of the ANZSIL Executive Council will rank applications according to merit and financial need and will take into account such matters as academic performance, contribution to the community and leadership qualities and potential. The sub-committee will have complete discretion in determining the successful applicant or applicants and in deciding the level of financial support to be extended.
8. Applicants who are successful in obtaining funding from ANZSIL will be required to supply a written report on their internship within one month of the conclusion of the internship. This may be published in the ANZSIL newsletter or on the ANZSIL website.
9. Applicants must submit the following documentation in support of their application:
 - Application form;
 - Correspondence confirming acceptance in the internship;

- Academic transcript;
- A one-page (maximum) budget for applicant's funding for the internship. In this budget applicants should include details of all other funding applications that have been made (including details of the institution and level of funding sought and awarded);
- A two-page (maximum) summary of the applicant's resume and reasons for taking up the internship.

Please note that applications including any additional documents or a summary exceeding two pages will not be considered.

Applications may be submitted in the following ways:

In the case of applications sent via fax or email, any supporting documents that cannot be sent in the same way should be posted to the ANZSIL Secretariat (address above) and the applicant should note this on the application form.
